## NEW YORK STATE BAR ASSOCIATION DUES WAIVER PROGRAM:

As the oldest and largest voluntary state bar association in the nation, the New York State Bar Association owes its long-standing strength to the diversity of its membership.

The Dues Waiver Program is intended to help its members by providing assistance to attorneys whose financial circumstances are such that full payment of membership dues would pose a financial hardship. Situations which would merit a dues waiver include:

- unemployment or income constraints
- time out from practice for family or health reasons
- reduced income based upon extraordinary practice or business losses

Current or prospective members of the New York State Bar Association are eligible to apply for dues waivers. **Participation in the program is limited to two consecutive membership years**, absent extenuating circumstances.

Those who wish to apply for a dues waiver must complete and sign this application. All dues waiver applications are treated confidentially.

In the year following one's participation in the program, members will receive an invoice for the full dues amount. The Dues Waiver Program operates on an annual basis, and may be terminated at the close of any calendar year.

**Dues Waiver Program participants are entitled to all NYSBA benefits of membership as provided under the bylaws.**
