I understand that a Shelter representative may visit my home for a home inspection before my foster application is approved.

I understand that if I am tentatively approved for fostering, I will also need to carefully read and agree to a “Foster Care Agreement” before I can take my foster animal home. The Foster Care Agreement represents the legal contract between a foster caregiver and the Shelter.

I have read this application in its entirety, and I agree that all statements contained in this document are made by me, and are truthful. I make this statement under penalty of perjury under the laws of New York State.
