

## What M&A Lawyers Want Antitrust Lawyers to Know

### MERGERS COMMITTEE ASSOCIATES SERIES

The NYSBA Antitrust Section Mergers Committee cordially invites you to the first program of our Associates Series — “What M&A Lawyers Want Antitrust Lawyers to Know.” Our distinguished panel of M&A attorneys will discuss the basics of M&A deals, how antitrust covenants interplay with other provisions in merger agreements, what they expect from antitrust lawyers working on their deals, and their war stories in negotiating antitrust provisions. This program will be hosted as a teleconference.

The Mergers Committee Associates Series is a series of training programs put on by senior associates to help young antitrust lawyers excel in their practice.
