EUROPEAN CONFERENCE 2015

Who are we?

New York State Bar Association and the International Section

The New York State Bar Association ("NYSBA") is an organization of attorneys in the State of New York and, with more than 72,000 members, is the largest voluntary bar organization in the United States.

The International Section ("NYSBA International") is one of the most active sections of the NYSBA having over 2,000 members internationally with chapters in over 70 cities worldwide and is NYSBA's global representative and its international advocate for the rule of law.

In addition, NYSBA International brings members together to discuss and influence the resolution of key legal practice issues before local, state, national and international policy makers. Members are primarily professionals practicing law at major international law firms and multi-national corporations.

What is the European Conference?

Each year NYSBA International hosts its European Conference in a different city outside in Europe to provide American and foreign colleagues the opportunity to meet, network and expand their international practices.

The European Conference 2015 "Switzerland, EU and USA: Partners in Success" will take place in Zurich/Winterthur (Switzerland) from March 12 – 13, 2015. It covers the following challenging topics: Construction Law and Procurement, Labour Law, Extraterritoriality and Financial Services, Competition Law, Global Litigation Issues and Data Protection.
