The New York State Bar Association (NYSBA) is an organization of attorneys in the State of New York, as well as throughout the U.S. and globally around the world, and is the largest voluntary state bar organization in the United States.

The International Section is one of the most active sections of the NYSBA having approximately 1,800 members internationally with chapters in over 70 countries worldwide. It is NYSBA's global representative and international advocate for the rule of law.

In addition, the NYSBA International Section brings members together to discuss and influence the resolution of key legal practice issues before local, state, national and international policy makers. Members are primarily professionals practicing law at major international law firms and multi-national corporations.
