Vienna, Austria SEASONAL MEETING 2014

Who are we?

New York State Bar Association and the International Section

The New York State Bar Association ("NYSBA") is an organization of attorneys in the State of New York and, with more than 72,000 members, is the largest voluntary bar organization in the United States.

The International Section ("NYSBA International") is one of the most active sections of the NYSBA having over 2,000 members internationally with chapters in over 70 cities worldwide and is NYSBA's global representative and its international advocate for the rule of law.

In addition, NYSBA International brings members together to discuss and influence the resolution of key legal practice issues before local, state, national and international policy makers. Members are primarily professionals practicing law at major international law firms and multi-national corporations.

What is the Seasonal Meeting?

Each year NYSBA International hosts its Seasonal Meeting in a different city outside of the United States to provide American and foreign colleagues the opportunity to meet, network and expand their international practices. The last four meetings were held in Hanoi (2013), Lisbon (2012), Panama (2011), and Sydney (2010).

The meeting is not-for-profit and consists of two full days of New York Continuing Legal Education ("CLE") sessions (including ethics) which focus on recent developments in international business and private law. The meeting also offers networking opportunities in the form of luncheons, cocktail receptions, dinners, other social and cultural events, and our traditional gala event. Sponsorship Opportunities
