IMPORTANT INFORMATION

The New York State Bar Association Trial Academy is a five-day trial techniques program that will teach, advance and improve the courtroom skills of young and new lawyers with an emphasis on direct participation.

HOW IT WORKS

The program will take place at Cornell Law School. The materials for the program will include both a criminal and civil fact pattern which will be provided to attendees before the program's start date. Each morning of the Trial Academy will feature a lecture on the following aspects of the trial process: Jury Selection, Opening Statements, Evidence, Foundations and Objections, Direct Examinations, Cross-Examinations, Trial Motions and Motions in Limine, and Closing Arguments. Each afternoon the lecture group will separate into small break-out groups. Prior to the start of the program each attendee will receive materials that will include which "problem" or "witness" they are to prepare for each day's break-out group. You will work with this group and your Team Leader throughout the entire Trial Academy. The break-out groups will allow you and your peers to put the theory of the lecture into practice with the feedback of your Team Leader and the rotating critique faculty. Your presentations will be recorded to allow for personal playback and review.

REGISTRATION AND FEES

NYSBA Members: \$875.00

Non-NYSBA Members: \$1,000.00

The Trial Academy is limited to 60 participants. Registrations paid in full, dependent on space available, will be accepted until March 23, 2015.

The registration fee includes all materials and a memory card, continental breakfast each morning, NYSBA-sponsored luncheons each day, and the welcoming and closing cocktail receptions.
