

Dear Families,

Our Nannies have the pleasure of providing expert child care & structured activities for your children at the Gideon Putnam during your event. We have provided care for your organization previously and the kids have always had a great time with lots to do. We are sure that they will enjoy their time in our care.

Dates & Times are as follows:

May 19th ~ 6:30pm-10pm

May 20th ~ 9:00am- 12:00pm & 630pm to 10pm

May 21st ~ 9:00am to 12:00pm

Parents are encouraged to bring the children 10 to 15 mins prior to start times listed to check them in to the program.

Below is information about the two morning programs that we will be offering.

Saturday 20th 9am to 12pm

On Saturday morning, The Traveling Paints will be on site for a paint and sip program. The children will get to create their own version of the featured painting while sipping on smoothies. Once the paintings are dry, they will get to take their masterpiece home to display with pride!

Sunday 21st 9am to 12pm

On Sunday morning, Reptile Adventure will be on site to do an interactive reptile education program. The children will learn about reptiles as well as interact with 8 to 10 different species. Should they choose to, they will be able to hold and interact directly with the animals they have learned about.

Friday and Saturday evening activities will be a number of games, arts and craft and other activities ranging from Tie Dying to making jewelry. The children will be able to make and take home the projects they have made at the end of the event.
