The First Annual NYSBA/AAA Arbitration Competition.

November 13th and 14th

Competitors will receive a hypothetical fact pattern based on a domestic commercial dispute, created by leading practitioners in the field. The Competition will be administered and conducted as a real arbitration — organized under the supervision of the AAA, governed by the AAA's Commercial Arbitration Rules, and Judged by the best AAA arbitrators in the State.

Open for all New York State Law Schools — \$150 (Early Bird) per team of 3 Students and 1 Coach.

While the schedule is still not final, the hosts plan to provide breakfast, lunch, and a cocktail reception at the Awards Ceremony.

This is a great opportunity to gain invaluable arbitration experience, attend trainings led by the top experts in the field, and to network with other arbitration enthusiasts.

Early Bird Registration will open April 30th.
