You negotiate every day. In fact, your ability to effectively negotiate may be the most critical skill you possess. Yet most negotiate instinctively or intuitively. This seminar will help you approach negotiations with a strategic mindset. And make no mistake - no matter how much you've negotiated, you can still learn. Adding that one new tactic may be the difference between winning and walking away empty-handed.

NYSBA is pleased to welcome back nationally renowned negotiation expert Marty Latz presenting his signature Gain the Edge program, that will teach you the skills you need to negotiate successfully. Latz, Founder of the Latz Negotiation Institute, has trained over 50,000 lawyers and business professionals around the world to more effectively negotiate.

This is Marty's only New York appearance this Fall. Don't miss your chance to learn from the top expert
