2013 Bar Leaders Innovation Awards

The New York State Conference of Bar Leaders is pleased to present the 2013 Bar Leaders Innovation Awards for city, county, ethnic, minority, special purpose, specialty and women's bar associations in New York State.

These awards, formerly known as the Awards of Merit, have been renamed to recognize how bar associations adapt to the needs of their members and the community at large by introducing new programs, ideas and methodologies that benefit everyone involved. Every bar association is encouraged to participate. Every new idea put into effect, no matter how small it may seem, is welcome for consideration.

The awards program also provides information to bar leaders concerning new activities and projects that promote the public good, public understanding of the law or the professional responsibilities of attorneys.

The 2013 awards will be presented at the Annual Breakfast for Bar Leaders held at the Hilton New York on Friday, January 31, 2014 at 7:30 a.m.
