

On behalf of the New York State Bar Association, the Committee on Legal Aid, and the 2014 Partnership Conference Steering Committee, we would like to thank you for participating in the 2014 Partnership Conference. With your continued support this conference continues to be the premier and largest civil legal services conference in New York State.

Thanks to the dedication and expertise of the presenters and the Steering Committee we were able to bring you a diverse array of CLE accredited workshop on topics of interest to the legal services and pro bono communities.

As you know the conference reached record numbers of attendees, topping off at 650, which is a 48% increase from 2012. Due to this increase, several changes were necessary to ensure the accommodation of all participants in the space we had available. Some of these changes were restrictive and we apologize for any inconvenience it may have caused. We are evaluating the conference and working to make any necessary changes for the 2016 Partnership Conference.

Please note that the Partnership Conference information and materials have been moved on our website to the Past Events and Trainings tab located in the left side menu. You can access the materials by visiting [www.nysba.org/pastevents](http://www.nysba.org/pastevents). Photos from the event will also be posted on this page.

If there was an issue in receiving your badge, in the information on your badge or in receiving pre-conference emails, please contact the State Bar Service Center at (800) 582-2452 or [sbsc@nysba.org](mailto:sbsc@nysba.org) to correct the information. CLE certificates will be sent by email in 4-6 weeks.

Thank you again for participating and we hope you enjoyed the conference and learned something new.

Sincerely;

Edwina Frances Martin, Esq.
