EXECUTIVE COMMITTEE Agenda Item #21

REQUESTED ACTION: Approval of a request from the Committee on Professional Discipline to establish an award to recognize attorneys who practice in the field of professional discipline.

Attached is a memorandum from the Committee on Professional Discipline seeking approval to establish an award to honor members of the profession who have made significant contributions to the field of professional discipline. The award would be named in memory of Robert J. Saltzman, who was a longtime member of the Committee and who served as Deputy Chief Counsel of the Second and Eleventh Judicial Districts at the time of his passing in 2010. As noted in the memo, the committee does not anticipate that this award will be presented on an annual basis.

The report will be presented by Sarah Jo Hamilton, chair of the Committee on Professional Discipline.
